The Institute for the Study of Human Rights is pleased to announce the development of the Archive on the Legacy of Conflict in South Asia. In partnership with Columbia University Libraries/Information Services (CUL/IS)'s Center for Human Rights Documentation & Research (CHRDR) and the Armed Conflict Resolution and People's Rights Project (ACRes), ISHR will aid in the preservation of unique historical documentation of gross human rights violations and conflict in South Asia. This pilot project aims to locate materials that are not currently being collected and preserved by libraries and archives or are at risk of disappearing.
