and Accountability (AHDA)  
**2016 FELLOWSHIP  
PROGRAM**

**The 2016 Alliance for Historical Dialogue and Accountability (AHDA) Fellowship Program is now open for applications!**

The AHDA Fellowship is a unique opportunity for practitioners who are interested and engaged in historical dialogue work to participate in both training and academic study at Columbia University. Fellows have included representatives of civil society organizations, journalists, filmmakers, teachers and artists. The Fellowship seeks to build a network of historical dialogue advocates, to foster a dynamic academic environment for Fellows to initiate and develop new projects, and to facilitate discussion about the past in their respective societies.
